When you need cash, an Extra Credit Union Debit or ATM card can be a life saver. It gives you 24-hour access to your available funds and allows you to access your account from ATMs everywhere. Plus, the debit card even allows you to have a better way to pay when dining out, shopping, or filling up the gas tank.

Debit Card

This versatile card serves as both an ATM card and as an electronic check card for purchases. You can use it at a variety of merchants in the U.S. and across the globe - anywhere that accepts MasterCard®. Each purchase amount is deducted electronically from your checking account.

Consider these valuable benefits:

- Safer than carrying cash
- Faster than writing checks
- Convenience of a credit card without the interest, debt or bills
- Use it just like an ATM card for transactions at cash machines everywhere

ATM Card

An ATM card gives you convenient access to your accounts 24 hours a day, seven days a week. Plus, when used at any of the thousands of ATMs displaying the CO-OP Network logo, Extra Credit Union cardholders pay no fees!

Use your Debit card or ATM card to:

- Make cash withdrawals
